2011-2012 Terms and Conditions:

- *Family Rates* are for Husband, Wife, and Children/Dependents under the age of 22 (born on or after 11/1/89) who are living at home or attending college full time. Dependent persons are those claimed on your Federal Tax Return for 2011.
- Swain has the right under Article 18 of the New York State Obligations Law to remove from the ski area and /or deny skiing privileges to anyone whose conduct, excesses or attitudes, as determined by Management or Patrol create a nuisance for themselves or others. In such cases, no refunds shall be issued.
- Skiers, Snowboarders, and ski lift passengers are governed by the New York State Safety in Skiing Code, Article 18 of the NYS Obligations Law. Before affixing your pass or allowing any pass to be affixed to your person, your attention is directed to a posted "Warning to Skiers" which is stated below and displayed where tickets are purchased. New York State Law requires you to seek, read, review and understand the "Warning to Skier" before you decide to participate in the sport of skiing.

Warning To Skiers: Downhill skiing, like many other sports, contains inherent risks including, but not limited to the risk of personal injury, including catastrophic injury, or death, or property damage, which may be caused by variations in terrain or weather conditions; or, surface or subsurface snow, ice, bare spots or areas of thin cover, moguls, ruts, bumps, or other persons using the facilities; or rocks, forest growth, debris, branches, trees, roots, stumps; or other natural objects or manmade objects that are incidental to the provision or maintenance of a ski facility in New York State. New York law imposes a duty on you to become apprised of and understand the risks inherent in the sport of skiing, which are set forth above, so that you make an informed decision of whether to participate in skiing notwithstanding the risks. New York also imposes additional duties upon you, to which you must adhere, for the purpose of avoiding injury caused by any of the risks inherent in skiing. If you are not willing to assume all of these risks and abide by these duties, you must not participate in skiing at this area.

YOUR RESPONSIBILITY CODE:

Always stay in control, and be able to stop or avoid other people or objects.
People ahead of you have the right of way. It's your responsibility to avoid them.
You must not stop where you obstruct a trail, or are not visible from above.
Whenever starting downhill or merging into a trail, look uphill and yield to others.
Always use devices to prevent runaway equipment.
Observe all posted signs and warnings. Keep off closed trail and out of closed area.
LOOK BEFORE YOU LEAP. EASY STYLE IT. RESPECT GETS RESPECT. BE AWARE...SKI WITH CARE.

- No refunds will be issued after the 2011-12 season opening day.
- In the case of injury that occurs on or before January 30, 2012, the injured person's season pass will be forwarded to the 2012-13 season. A signed letter from the acting physician stating the pass holder's inability to participate in skiing or snowboarding must be presented to Swain in order for the pass transfer to occur. For injuries that occur on or after February 1, 2012, that cause the pass holder the inability to use the season pass, no refunds or pass transfers will be issued.
